## Summer 2015 Newsletter

### Butterfly Memorial Event

Chesapeake Highlands Memorial Gardens and Calvert Hospice will host the third annual *Butterfly Release* celebrating the memory of loved ones. This event is scheduled for Sunday, September 20, 2015 starting promptly at 2:00 p.m. with the program concluding by 4:00 p.m. Individuals and families wishing to participate can purchase a butterfly in the name of a loved one. Included with the donation of \$25.00 per butterfly is a personalized acknowledgement card sent to a designated recipient. To honor the name(s) of a loved one(s) please visit [www.calverthospice.org](http://www.calverthospice.org) or call 410-535-0892 and request a Butterfly Release registration form. Orders must be received by Monday, September 14th. The event will include live music, light refreshments, and the reading of each name being honored.

## The OASIS

We are proud to announce *The OASIS*, a new and innovative garden section at Chesapeake Highlands Memorial Gardens, is now completed. The meandering paths within the garden compliment a gazebo, a tranquil waterfall and a winding stream, all surrounded by meticulous landscaping. This new development is filled with a variety of distinctive choices for cremation memorials. Sites for personalized granite pedestals or benches are available throughout *The OASIS* and large granite fountains, walls, and trellis features provide impressive niche sites as well. Please contact the office for your complimentary tour and consultation.

For many years we have offered Christmas Wreaths for sale with placement. Please be advised that we will no longer be offering this service.
